

# Midwestern University 2024-2025 Academic Catalog Addendum

The addendum reflects catalog updates made since the catalog was published on June 1, 2024.

Please note that catalog updates listed on the Addendum will *not* be reflected in the official pdf version of the entire catalog, accessible from the Catalog Home section. *Addendum items are late changes* that were approved after the official catalog publishing date of June 1, 2024.

Catalog Editors, Initial Approvers, and Final Approvers who need to request an addendum to the catalog should reach out to the Catalog Administrators in the Office of the Registrar. After an approval process, you will be required to make catalog edits to include these addendum items in the current catalog and also update the active staging site for the next academic year.

The following updates have been made in the current live catalog and are described in the table below.

## Application Process and Deadlines

Public Health Admissions

To be considered for admission to the M.P.H. degree program, **stand-alone and dual degree** applicants must submit their applications online through the Midwestern University direct application. Dual degrees are completed in conjunction with healthcare professional degrees such as Doctor of Osteopathic Medicine, Doctor of Veterinary Medicine, Doctor of Optometry, or Doctor of Dental Medicine professional degree programs. **Applicants** may apply to the M.P.H. program as a dual degree student by submitting an abbreviated online application through the Student Portal and releasing their Midwestern University application package to the M.P.H. program for admissions consideration. **Stand-alone applicants will create an application and submit it through the application portal.** No additional application fee is required.

	<p>completed application packets, the Midwestern University Office of Admissions verifies the information provided to determine whether all prerequisites have been completed satisfactorily, or they will be completed prior to potential matriculation and also to verify the cumulative GPAs for all completed courses. Admission to the M.P.H. degree program is considered on a competitive basis for applicants submitting completed applications. To maximize their competitiveness within this rolling admission process, candidates are advised to submit their completed applications early in the admission cycle. The deadline for applications <b>for the Summer Quarter is April 15 or the first business day thereafter. The deadline for applications for the Fall Quarter is August 15</b> or the first business day thereafter.</p>
